

ملتقى الاستثمار السنوي ANNUAL INVESTMENT MEETING

World's Leading Investment Platform

8 - 10 May 2023
Abu Dhabi, United Arab Emirates

The World's Leading
Investment Platform
sets the stage for
Universities to join AIM

This year, the **Annual Investment Meeting** aims even higher to achieve more goals as it introduces the **AIM Talent Scholarship Program**, which will give Universities the opportunity to participate in AIM.

An initiative of the newly established **AIM Business Academy** -- an Institution that will pave the way for the Intellectual Engagement of Universities through Multi-Dimensional Experience and exposure to Cutting-Edge Knowledge, a Wide Range of Business, and ample Opportunities to network with various High-Calibre Figures from the business and government spheres the world over -- the **AIM Talent Scholarship Program** will be offered to talented and bright **Senior Year Undergraduate, Master's and PhD Students** who will join and will be able to win their University's search for the Best Research Theses and Tech Startup Projects.

Why Join?

- Acquire the Latest and In-depth Business and Technology Knowledge
- Attend Over 120 Live Sessions and Workshops and Learn from High-Level Speakers
- Engage with Industry Experts and Understand the Future of Work
- Encourage Exposure and Support for University Initiatives

How to Join:

Students will have to vie for their rightful spots in the Scholarship Program through submitting to their Professors the following:

Original Research Theses | **Innovative Tech Startup Projects**

The Contest Categories:

Economics

Finance

Technology

The **Economics and Finance Categories** will be requiring Student Participants to submit Research or Project Theses to their respective Professors whereas in the **Technology Category**, Students will have to present their Innovative Tech Startup Concepts.

Criteria for Judging:

Economics and Finance Categories

Viability (60%)
Potential for Impact (40%)

Technology Category

Level of Innovativeness (65%)
Creativity (35%)

Announcement of Winners:

The **Five Students** with the Best Theses and Startup Projects per University will be chosen as Winners/Scholars. They will:

Receive an **Exclusive Delegate Pass** with access to all AIM Features and Activities, which include **120 Live Sessions** featuring Leading Speakers. Their respective University Dean and two of their University Staff Members will be granted the same.

Qualify to **use their Theses and Projects as content** for Student Visitors of the AIM Global 2023, with the winning Technology Startup Projects having the chance to be a part of the **AIM Startup Pitch Competition** and receiving a **20% Discount** on their **Exhibition Kiosks**.

All participating Students will also receive Certificates from AIM.

A special discounted rate for other students interested to enrol in the program will be offered with 75% (750 USD) off their registration fee.
